ABOUT US

Mission

Our endeavor is to manufacture user-friendly, biodegradable, class products that will help your business grow at a faster pace. We believe that packaging helps you create your distinct brand reputation and open newer opportunities in the market. We aim to create strong and healthy long-term relationships with our esteemed customers by attentively meeting their dynamic needs.

Vision

The Ckaari vision is to make the use of eco-friendly paper bags widespread reducing dependency on plastic bags to a bare minimum. We visualize being among the leaders in manufacturing high-quality biodegradable paper bags and serving businesses through our user-friendly products. We aim at providing a complete paper bag range to our clients, often exceeding their expectations.

Our Capacity

Production Capacity	3 Million/Day
Paper Quality	Kraft (brown and white) with high fiber strength (28+)
Paper Weight	50-125 GSM
Type of Handle	Machine made Colored/White/Brown twisted paper rope
Printing	Upto 4 Colors Flexo Printing

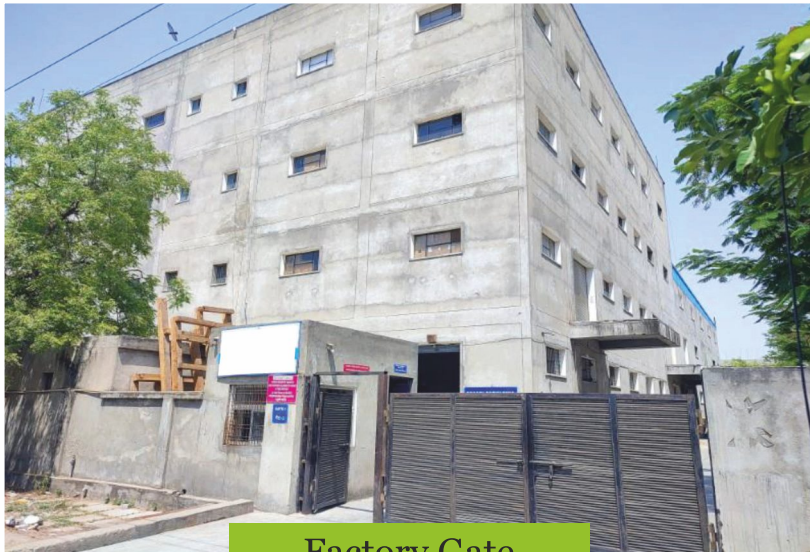

Why Us

- 1. MOQ:** With an offer of lower minimum order quantities (MOQs) i.e; SOS bags 10000 units and twisted handle bags 5000 units, we are able to build trust and give confidence to new clients.
- 2. Enormous Capacity:** With an average export of 40 containers/month and capacity to deliver 100 containers/month, we have been in constant business with our trusted 200+ clients across the globe for the past many years.
- 3. Quality control:** Following our rigorous quality control system we are able to maintain the high-quality products, moreover, utilizing advanced automatic machinery, we ensure the production of durable and reliable paper bags that meet rigorous quality standards
- 4. Comprehensive Product Range:** From **SOS** to **twisted handle** to **flat handle** to **shopping** to **Barrel bags** and much more covering the **GSM range from 45- 200**, we are capable of covering a wider range of the product demand in the market.
- 5. Rapid turnaround time:** The use of advanced **automated machinery** and **efficient production processes** enables us to fulfil orders quickly and reliably **within 25-30 days**. This makes us an ideal choice for businesses that require **fast delivery** without compromising on **quality** or **sustainability**.
- 6. Strong global supply network:** Allowing us to source high-quality raw materials and distribute our products efficiently across different regions. The well-established **logistics and distribution channels** enable us to serve both **domestic and international markets** with **consistent quality and timely deliveries**. Hence the reason for rapid turnaround.
- 7. High-quality printing capabilities:** We offer 4 colour printing options including varnish to help businesses create custom-branded packaging.
- 8. Smallest – Largest size bags availability:** We offer a diverse range of paper bags to cater to various needs. While specific dimensions for our smallest (1 SOB), ranging from 1-25 SOB and largest (18*7*18) bags with gusset ranging from 2-11 inches, which are available with or without handles and come in both virgin natural kraft and white paper.
